Church family,

A few news and notes items for you:

I want to begin with a hearty and heartfelt "thank you" for your pastor appreciation month generosity. The cards, notes, gifts, and goodies were an awesome surprise and something I have never experienced on that level. While I am thankful for your outpouring of appreciation and generosity I am also aware that each and everyone one of us, according to 1Corinthians 12:22, is "indispensable" to the work of the Lord's church. Along with that, I am blessed to serve alongside a great ministerial staff, and our church has many committed ministry leaders who do an outstanding job. The Lord has a great work for us to do together as we strive to make disciples of Christ here in our community and around the world, but we will do this work together, each one of us taking part as led by the Holy Spirit. The truth is that I need you all as much as you need me; we are all in this together. Again, I say, "thank you," but know that I recognize how vitally important each one is to the cause of Christ and His work.

FYI and add to your prayer list; we are beginning to plan for a revival to be held here at JMBC this March. More details will follow soon, but if things go according to plan, we will host evangelist Ron Herrod. You can check out Ron on Facebook and follow what the Lord is doing through his preaching and through Rhema, a ministry he began to train pastors in India.

Community Fest is less than two weeks away! This fall event will allow us to meet hundreds of our neighbors on our own church property. I view this as our gift to the community and a chance for our neighbors and their families to come have fun in a safe environment. Contact the office or Phillip to sign up to help; volunteers are needed. If we all get involved this, could be a huge event and outreach opportunity. As I meet more and more of our neighbors, I realize that the majority is unchurched, and many do not know the salvation that comes through the Lord Jesus Christ.

One final word: please consider Hebrews 10:25! So many of God's people seem to approach the gathering of the Lord's church as nothing more than one of many events from which they can choose to attend. It is so much more than that, and the Lord has ordained that we all play a key role in each other's lives. When you are not here (barring being providentially hindered or the occasional vacation type event) we all miss out. You miss the encouragement that the Lord's church can give and we miss the ministry that you can give to us. Be here!

For the cause of Christ,

Pastor Tommy

OIAM –

Thank you, Church Family, for all who contributed towards the ministry projects of Operation Inasmuch, and those who volunteered (about 65 members) to serve on Mission Blitz Day Oct. 1. You made it possible to do these projects and do them effectively! God bless all of you.

A note from East Asia:

Here are a few excerpts from an email from our friend in East Asia who is on a long-term mission trip there. “I thank Father that he is using you all to help me on this journey; and I thank you all for your support and generous spirit as you continue to participate with me in this. I cannot say in words how very grateful I am for each of you. As a brief update, there have been 3 births recently! I'm able to connect with several university students and meet their friends. There are many good conversations during our times together. Thank you for your thoughts on this! Also I am leaving shortly for a one day visa trip out of country. Your gift will help with that necessary expense. I have also been purchasing some books for my 'grandchildren' here. You are helping with that. Thank you! As a side note: it is down in the 30's at night now and the heat doesn't get turned on until Nov. 1. As you can imagine, I'm pretty bundled up here at home and wherever I am since no one has heat!”

If anyone wishes to contribute to the support of our 'friend' please make your check out to JMBC and write *East Asia Missions* in the memo line.
