A Night in Bethlehem ~ a Christ-centered event for families of all ages. Literally, we step back in time as the fellowship Hall is transformed, complete with the night sky, Bethlehem Marketplace shops abuzz with townspeople talking about Jesus' birth. Families visit shops and are told about Jesus as they work together to complete an activity. It truly is a special time for all, church family and guests alike. Are you ready to open up our doors and share Jesus with the community this December?

Public school holidays, like Nov 11 coming up, are a great time to make college visits. Most colleges are not closed on the holidays for high school students. Doing your own self-guided tour can be very valuable. Talk to students on campus to see why they picked that college and what their experience has been like. This is a link with good ideas for questions to ask - <https://www.usnews.com/education/best-colleges/articles/questions-to-ask-on-a-college-visit>. Christian students will also want to ask if there are resources like a Baptist student center or Inter-Varsity Christian Fellowship on campus to meet other Christian students. If you would like individual free help with planning for college or workforce training, Elizabeth Harris is always happy to help. You can contact her at eharris44@gmail.com or at 757-235-1680. Put College Planning in the subject line or text.

From the Stewardship Education Committee (submitted by Elizabeth Harris)

Are you at least 70½? Are you taking a Required Minimum Distribution (RMD) from an IRA, or will you be taking one in the future? RMDs count as taxable income. If you donate to a qualified charity, such as JMBC, with a **qualified charitable distribution (QCD)** from your IRA, the distribution is excluded from your taxable income. A QCD is a **direct transfer** of funds from your IRA, **payable directly** to a qualified charity. Amounts distributed as a QCD can be counted toward satisfying your RMD for the year, up to \$100,000.

Here are the QCD rules:

- The QCD must come from a Traditional or Inherited IRA (not a 401k or a pension).
- The IRA beneficiary taking the RMD must be at least 70½.
- The distribution must go **directly** to a qualified charity. Funds cannot be deposited in a personal bank account and then given to a charity or church to get this tax exclusion.
- A confirmation letter from the charity or church must be issued that states no goods or services were received in exchange for the contribution.
- An individual who itemizes deductions on a federal tax return may not also count the QCD given to a church in their total church giving for the year.

If you meet the minimum age, own an IRA, and would like to give from your RMD to JMBC, a QCD may be an option you wish to use. Be sure to check with your accountant or tax preparer.
